## ***Kysse-able Lips***

Why do we recommend a  
Kysse syringe for lips?

Kysse is a great filler option to  
achieve a full and plump lip  
shape. We love offering a half  
syringe to build a pillowy lip!

# **The Perfect Pair**

**Treatments for your intimate life.**

## **O-Shot**

The O-Shot is a non-surgical vaginal rejuvenation treatment for women that increases sexual arousal and orgasm.

## **P-Shot**

The P-Shot is a non-surgical procedure for the penis that helps you achieve stronger and firmer erections.
