

NEW YEAR, NEW ME

Let's Get Those Goals On!

NEWSLETTER
JANUARY 2024

LC Medical is excited to help you kickstart the New Year with programs to help you achieve your 2024 goals!

Aesthetics & Wellness

LC Medical offers a variety of wellness treatments to help you look and feel your best this year! Check out what we can do!

- **IV Drips**

Our providers will help to curate a cocktail that delivers essential vitamins straight to your bloodstream.

- **PRP: Platelet-Rich Plasma**

PRP is a regenerative treatment helps to amplify the natural growth factors found in your own blood. This is a great option for hair restoration, skin rejuvenation, and enhancing sexual performance!

Weightloss Program

Our popular weight loss program is a great option for those interested in medically assisted weight loss. During the course of our month-to-month service of Semaglutide, we monitor your weight and symptoms to help you achieve your goals. Talk to your PCP and contact your FSA/HSA provider to see if your participation in our program qualifies you for FSA/HSA payment.

Hormone Therapy

Body Contouring

It's never too early to start on your summer body. LC Medical has some treatments that can help you achieve just what you're looking for:

- **Morpheus8 Body**

Microneedling with Radiofrequency is a great option to remove stubborn fat.

- **Tone**

Tone utilizes electrical muscle stimulation (EMS) to contract your muscles. Frequently used on abs and buttocks, a 20-minute session equates to 20,000 crunches.

LC Medical has hormone replacement programs for both men and women. Discuss your symptoms with a provider to see if hormones are right for you!

- **BHRT for Women**

Bioidentical Hormone Replacement Therapy (BHRT) utilizes biologically identical hormones to balance your body's natural hormone production to optimize your health and vitality.

- **TRT for Men**

Testosterone Replacement Therapy (TRT) helps to improve your mood, increase your energy, aid in muscle strengthening, and sexual function.
